

Cryptocurrencies: What Lies Ahead?

Supported by the [Financial Markets Committee](#)

Speakers:

Gary Tiu, Executive Director and Head of Regulatory Affairs, BC Technology Group

Ryan Miller, Head of Sales, OSL Digital Securities Limited

Moderator:

Jill Wong, Partner, Howse Williams

Cryptocurrencies: What Lies Ahead?

BritCham will be hosting a panel discussion with OSL, currently the only SFC-licensed crypto exchange on the current developments in cryptocurrency regulations in Hong Kong. Learn everything you need to know about offering or managing crypto assets, and much more from our panel of experts. In addition to covering the regulatory framework, the panel will also discuss the OSL digital assets platform and opportunities for strategic partnerships with OSL. Following the discussion attendees will be given the opportunity to ask questions and get specific insights from our experts.

About the speakers

Gary has more than 20 years of experience as a corporate legal counsel, specialising in regulatory affairs and financial products.

Prior to joining BC Group, Gary served as General Counsel for Yunfeng Financial Group and Asia Head of Legal and Compliance for Cantor Fitzgerald and BGC Partners.

Earlier in his career, Gary specialised in structured derivatives, private equity and managed investment products at Macquarie Group and CITIC Capital.

Gary also currently serves as General Counsel for Reorient Group.

He holds a Bachelor of Laws and a Bachelor of Arts from the University of New South Wales.

Ryan has more than 20 years of experience in flow trading, brokerage and sales covering digital assets, FX, options, equities and other financial products.

Ryan Leads OSL's overall institutional sales activities including client acquisition and management, business development and product creation.

Prior to joining OSL, Ryan held senior roles at LMAX, Newedge across Asia, Europe and South Africa.

OSL is the world's first and only insured and SFC-licensed digital asset platform, providing prime brokerage, custody, exchange and SaaS services for institutional clients and professional investors.

Backed by Asia's leading public fintech and digital asset company, BC Technology Group (stock code: HK 863), OSL is the region's most comprehensive licensed digital asset platform.

About the moderator

Jill specialises in financial services and corporate regulatory and compliance issues. She was previously Deputy General Counsel at the Hong Kong Monetary Authority, in-house counsel at Credit Suisse and consultant at leading international law firms. Her unique experience allows her to advise on both contentious and non-contentious issues. Jill's experience compasses all aspects of banking and securities laws and rules affecting listed companies. She regularly represents clients in regulatory (for example, SFC, HKMA, HKEx and ICAC) investigations. She is active in new areas of regulatory scrutiny such as money-laundering, sponsor liability, corporate governance, privacy, retail payment systems and competition. She is identified as a leading lawyer in legal directories and named as an External

Counsel of the Year in Asian-Mena's 2013 survey of in-house counsel.

Pricing
