To: Members of the International Business Committee

Dear Members,

The 2025 Eighth Legislative Council General Election

The Eighth Legislative Council General Election will be held on 7 December 2025, at which a total of 90 Members will be elected.

This election marks an important milestone following the improvement of the electoral system of the Hong Kong Special Administrative Region. It carries profound significance for strengthening the steady and enduring implementation of “One Country, Two Systems”, and for fostering good governance, effective administration, and the long-term prosperity of Hong Kong.

I would like to call upon members of the International Business Committee to exercise your civic rights in accordance with the law and cast your votes enthusiastically on the polling day—to elect a new term of Legislative Council Members who are responsible, committed, and capable of serving the community with vision and integrity. I also encourage you to invite your families and friends to participate, so that together we can contribute to the continued success and future of Hong Kong.

Voting is a right of every citizen and is also a vital step in selecting capable leaders who can help build our society and contribute to our economic development. Every vote represents the trust and expectations of the members of the public for Hong Kong’s future. Let us stand united and participate actively in the Legislative Council General Election on 7 December, electing patriotic, responsible, and visionary Members for Hong Kong.

Yours sincerely,
